ON-DEMAND

Quick Start Basics Available Whenever You Want to Learn

You are: An Encompass beginner or a veteran user looking to brush up on the basics. You don't have a lot of time and you're searching for help on one particular topic.

You need: Flexible options that fit your busy schedule and let you learn at your own pace. Sometimes you have time for training in the workday but often you need to fit it in after hours or even on the weekend.

You'll get: A variety of choices—from video tutorials and recordings to quick reference guides and step-by-step study guides complete with screenshots. All on-demand options are available 24/7 and they're all free.

You'll find this: At the Encompass Training Center on the Ellie Mae website. Choose **On-Demand Training** to see our full range of options.

ONLINE

Hands-On Training in the Interactive Encompass Learning Lab

You are: A veteran Encompass user looking to get the most out of Encompass or a new user looking to dive right in.

You need: To practice new concepts before going into an actual loan and someone to answer your questions along the way. You learn best by doing and you have a couple of hours to devote to a class.

You'll get: Instructor-led training in our interactive Encompass Learning Lab. You can choose from a variety of courses on fundamental concepts such as loan origination and processing, contact management, reporting, system administration and more. Your instructor will introduce the new concepts and then you'll try them out in the lab, plus you'll get a workbook for future practice. Courses are 1.5 - 2.5 hours and cost just \$100 each.

You'll find this: At the Encompass Training Center on the Ellie Mae website. Choose **Hands-On Online Training** and browse by your Encompass edition to see course schedules and sign up.
